1-rx-shop.com

Overview

History 1-rx-shop.com claims to have a 7-year history of providing high-quality generic medications, asserting their equivalence to brand-name counterparts. This review aims to assess the safety of ordering from this online pharmacy.

License

License The domain analysis reveals that the website's domain was registered through a third party, concealing the owner's identity. It was registered on November 6th, 2020, and is set to expire on November 6th, 2022, with the last update on September 1st, 2021. These factors raise concerns about the pharmacy's legitimacy, but further examination is needed.

Drugs

Drugs The online pharmacy lacks transparency in its business profile. It operates under the generic name "Online Pharmacy" without a physical address or identifiable owner. Additionally, the provided telephone number is shared with other online drugstores, further eroding trust. This anonymity allows the company to evade accountability and engage in potentially unsafe practices. What types of medications are available at 1-rx-shop.com? 1-rx-shop.com claims to offer a wide range of medications, including those for pain relief, muscle relaxation, heart disease, diabetes, and depression. Their inventory suggests a focus on various health conditions, with an emphasis on both common and specific medical needs. Does 1-rx-shop.com offer competitive pricing and discounts? 1-rx-shop.com advertises competitive pricing for its medications. They also claim to provide complimentary pills and discounts to repeat customers, suggesting an effort to establish customer loyalty through pricing incentives. Is 1-rx-shop.com a legitimate and trustworthy online pharmacy? 1-rx-shop.com raises several red flags that question its legitimacy. Concerns include its recent domain registration, lack of transparency, absence of regulatory compliance, and indications of being a mirror site. These factors collectively suggest potential risks, and thus, the site is rated poorly and advised to be approached with caution or avoided. What precautions should be taken when considering purchasing from 1-rx-shop.com? Given the concerns about 1-rx-shop.com, customers are advised to exercise extreme caution. It is recommended to thoroughly research the pharmacy, seek out verified customer reviews, and consider safer, more established alternatives for purchasing medications.

Price list

Price List The website's lack of a comprehensive business profile raises suspicions about its legitimacy. Regulatory authorities like LegitScript and NABP classify it as "rogue" and "Not Recommended," indicating non-compliance with regulatory standards. Drug Name Price silagra price in india From \$0.15 suhagra 100mg cheap From \$0.1 nizagara 100 From \$0.2 kamagra pill From \$0.4 cipla tadacip From \$0.66

Customer support

Customer Support The online pharmacy operates as a mirror of other rogue websites, sharing a similar interface and content. This association reinforces concerns about its legitimacy. The absence of a clear business profile and the use of shared telephone lines contribute to its untrustworthiness.

Discounts

Discounts 1-rx-shop.com offers a variety of medication categories, including pain relief, muscle relaxants, heart disease, diabetes, and depression. Prices are claimed to be competitive, with free pills and second-time customer discounts.

Conclusion

Conclusion In summary, 1-rx-shop.com exhibits several red flags indicating potential illegitimacy. Its recent domain registration, anonymity, regulatory non-compliance, and mirror website status all contribute to suspicions of being a scam. Therefore, this online pharmacy is rated 1 star and should be approached with caution or avoided altogether.
