CanadaDrugs.com

Overview

History Our readers could have seen several canadadrugs.com reviews, where we mentioned history of the site creation. In this canadadrugs.com review we will just remind that the company exists for five years and during this period did a great progress in its services development. The company operates only in the country of its residence.

License

License The company operates under duly executed license, which has already been described in several pervious canadadrugs.com reviews. However, what we would like to mention in the current canadadrugs.com review is that the company has got another license for transportation activity using own trucks.

Drugs

Drugs The site presents drugs of almost all categories. Each of the categories has description as well as each of medications. The user can always find brief information about side effects or interaction with other medicines. What is CanadaDrugs.com and what does it offer? CanadaDrugs.com is an online pharmacy that offers a wide array of prescription and over-the-counter medications. They focus on providing affordable medication options, including both generic and brand-name drugs, for a variety of health conditions. How reliable and safe is CanadaDrugs.com for purchasing medications? The reliability and safety of purchasing medications from CanadaDrugs.com are subject to customer diligence. It's advised to check the pharmacy's accreditation, verify their licensing, and review customer feedback to ensure a secure shopping experience. What variety of medications does CanadaDrugs.com offer? CanadaDrugs.com offers a diverse range of medications, catering to different health needs. This includes treatments for chronic diseases, lifestyle medications, and general wellness products, available in both generic and brand-name formulations. What are the shipping and payment policies at CanadaDrugs.com? For specific details about shipping and payment at CanadaDrugs.com, customers should directly inquire with the pharmacy. Information regarding shipping fees, delivery timelines, accepted payment methods, and return policies may vary and should be confirmed with the pharmacy.

Price list

Price list Prices for drugs of local production are really competitive comparing to ordinary apothecaries. Nevertheless the same can't be said about imported drugs. Prices for some of them can be higher than on other sites. Drug Name Price silagra vs suhagra From \$0.15 suhagra force From \$0.1 nizagara 100mg for sale From \$0.2 kamagra 100 From \$0.4 tadacip cipla From \$0.66

Customer support

Customer Support Customer support service operates six days a week. Sunday is day off. Customer support agent could be reached either by Chat-box or by phone. Specialists respond not as quickly as expected and it seems that they are lack of training.

Discounts

Discounts According to the site information the company implements canadadrugs.com discount program. Based on the rules of this canadadrugs.com discount policy every second purchase equaling to 70 USD allows the buyer to get a discount in the amount of 15% for the third one. At the same time the company participates in different promotional events for which it issues so called canadadrugs.com coupon with guarantee 5% price rebate for any product on the site. Usually this canadadrugs.com coupon is valid within one month.

Conclusion

Conclusion We can say that the company is oriented on local customers and tries to meet demands of each of them. The company possesses own vehicle fleet and own logistics department responsible to goods delivery. Usually delivery to the farthest destination within the country takes maximum three days.
