Canprescserv.com

Overview

History Canprescserv.com, an online pharmacy, has a long history dating back to its registration in March 2005, spanning nearly two decades. They recently made modifications to their website in September 2022, indicating a commitment to improvement. The domain is registered until March 22, 2023, suggesting future intentions.

License

License To assess the legitimacy of canprescserv.com, we conducted various checks. Scamadviser assigned the site a trust rating of 1 out of 100, the lowest possible rating for a pharmaceutical website. However, it's crucial to consider multiple factors beyond this rating for a fair assessment.

Drugs

Drugs Canprescserv.com offers a wide range of medications, from weight loss to gender-specific treatments. They claim to charge only a one-time appointment fee, excluding doctor fees, and offer products at reasonable rates. This online pharmacy aims to cater to diverse medical needs. What is Canprescserv.com and what does it offer? Canprescserv.com appears to be an online pharmacy service, offering access to various prescription medications. They may specialize in providing a convenient platform for ordering and managing prescriptions, potentially focusing on a range of health conditions. Is Canprescserv.com a reliable and safe source for medications? The reliability and safety of Canprescserv.com as a source for medications are not clearly established. Customers are advised to exercise caution, verify the site's credentials, and check for regulatory compliance before making any purchases. What types of medications are available at Canprescserv.com? Canprescserv.com likely offers a range of prescription medications, including treatments for various chronic and acute health conditions. The specific types of medications available should be confirmed by visiting their website or contacting them directly. What are the shipping and customer service policies of Canprescserv.com? Detailed information about the shipping and customer service policies of Canprescserv.com is not readily available. Customers should inquire directly with the platform for accurate information on shipping times, costs, and customer service protocols.

Price list

Price List The website provides several payment methods, including credit cards, debit cards, Go cardless (direct credit card), and bank transfers. They also offer various pricing plans for users and provide free shipping on orders. Registration is required before placing an order for security and privacy protection. Drug Name Price silagra 100 mg From \$0.15 suhagra 100mg price From \$0.1 nizagara 100 price From \$0.2 kamagra store From \$0.4 tadacip 20 From \$0.66

Customer support

Customer Support Canprescserv.com assures complete client service and delivers drugs following prescriptions. Standard product delivery typically takes 2-5 working days, with contact options available in case of delays.

Discounts

Discounts While the website mentions affordable care for users, specific discount details are not provided in it.

Conclusion

Conclusion After a thorough review, we conclude that canprescserv.com appears to be a scam pharmacy. Scamadviser's low rating of 1 out of 100, lack of registration with CIPA and NABP, and the absence of customer reviews on Trustpilot raise significant concerns about its legitimacy. We advise against purchasing products from this website, and we assign it a rating of only 2 out of 5 stars.
