They are committed to maintaining high standards of care and adhere to all relevant health regulations and guidelines to ensure patient safety and privacy. Can I get a prescription through Doctors-Medicine.com? Yes, you can get a prescription through Doctors-Medicine.com. After an online consultation with a licensed physician, if deemed appropriate, a prescription can be issued and sent to a pharmacy of your choice. Does Doctors-Medicine.com offer services for emergency medical situations? No, Doctors-Medicine.com does not offer services for emergency medical situations. In case of an emergency, it is advised to contact local emergency services or visit the nearest hospital immediately.

Price list

Price list Prices for some drugs are not competitive enough comparing to ordinary apothecaries. As it was explained in previously published www.doctors-medicine.com reviews it is because they are forced to sell products at prices recommended by manufacturers of the brand name drugs. Drug Name Price silagra vs suhagra From \$0.15 suhagra force From \$0.1 nizagara vs viagra From \$0.2 kamagra 100 From \$0.4 tadacip cipla From \$0.66

Customer support

Customer Support There is a call center which can be contacted either by mail, by phone or by skype. They try to do their best and answer customers' requests within short time – about 5-10 minutes.

Discounts

Discounts Regular customers of the site are usually offered with www.doctors-medicine.com coupon, which gives the grantee the right to buy medications at price lower by 10% but only during specifically stipulated time. Usually period of www.doctors-medicine.com coupon validity lasts no longer than 1-2 months. Additionally once in a quarter they give rather essential www.doctors-medicine.com discount for drugs which are close to expiry of period of validity, it is usually not less than 6 months. In this case using www.doctors-medicine.com discount the buyer can obtain some vitamins or antihistamine products at price 30% less.

Conclusion

Conclusion By verifying feedback of the customers one can conclude that it is a reliable site. It is focused on high standard services, for example deliver products within the shortest period. They are constantly extending coverage of their shipment. On the site any user will find accurate and relevant information about ordered drugs.
