GenericViagraSafe.com

Overview

History In our previous genericviagrasafe.com review it was already said that this site is rather old. It exists for more than 10 years. Initial idea was to sell drugs against sexual disorders. Later, as it was mentioned in one of our genericviagrasafe.com reviews the company focused more on generics of popular drugs treating sexual dysfunction.

License

License Recently the company failed to prolong existing license due to violation of local legislation in terms of web-based medication trade. So now we can acknowledge that the company's activity is not licensed.

Drugs

Drugs As we have described in the last genericviagrasafe.com review the web-based apothecary is focused on trade of generics of popular drugs against impotency. The list of these generics is really wide and includes both famous generics and unknown. What is GenericViagraSafe.com and what does it offer?

GenericViagraSafe.com is an online pharmacy primarily focused on offering generic versions of Viagra and other medications for erectile dysfunction (ED). They specialize in providing affordable ED treatment options. Is GenericViagraSafe.com a trustworthy source for ED medications? The trustworthiness of GenericViagraSafe.com as a source for ED medications should be evaluated by customers. It's recommended to verify the pharmacy's credentials, ensure the authenticity of the medications, and read customer reviews before making a purchase. What types of ED medications are available on GenericViagraSafe.com?

GenericViagraSafe.com offers a variety of generic ED medications, including different forms and dosages of generic Viagra. They may also provide other ED treatments, catering to the various needs and preferences of their customers. What are the shipping and payment policies of GenericViagraSafe.com? Detailed information about shipping and payment policies on GenericViagraSafe.com may not be clearly stated. Customers should inquire directly with the pharmacy for information on shipping rates, delivery times, accepted payment methods, and return policies.

Price list

Price list The price list seems not always updated that is why it is difficult to qualify level of prices. But if to believe to the presented on site we can state that they are rather competitive. Anyway that would be great if responsible people will duly update prices. Drug Name Price silagra 100 From \$0.15 suhagra 100 From \$0.1 nizagara 100mg price From \$0.2 kamagra 100mg From \$0.4 tadacip 20mg From \$0.66

Customer support

Customer Support Customer Support service does not operate 24/7 which contradicts to the information presented on the site. There are cases when questions of customers are left without answer. Such behavior works against the site image. So, before choosing this site think twice as if Customer Support service operates in this manner this finally may result low service quality.

Discounts

Discounts According to information on site there exists a special genericviagrasafe.com discount program, which is intended to retain registered customers. According to this genericviagrasafe.com discount program, every registered buyer is granted with 5% rebate for the products of the site. This rebate is valid for a year. In a year a genericviagrasafe.com coupon is issued for the buyer granting him with 12% rebate. On the next year, another genericviagrasafe.com coupon with 20% is issued for the buyer. Basing on the feedback of the site users it does not work as described.

Conclusion

Conclusion We did not have an opportunity to check the delivery period because we were refused to ship our parcel to the country from the list of deliveries. Our conclusion is not so bright. We do not recommend this site until management takes measures to get the license and establish a corresponding Customer support center.
