Herbsandmeds.com

Overview

History Herbsandmeds.com is an online pharmaceutical store based in the Netherlands, claiming to export and manufacture medicines globally. However, upon thorough investigation, it becomes evident that this website is operating as a fraudulent business, compromising customer privacy through an unsecured and unverified business model. This review aims to shed light on the dubious nature of Herbsandmeds.com.

License

License Examining the domain information for this pharmacy raises suspicions. Typically, third-party domains and pirated websites have registrations valid for less than a year. Notably, Herbsandmeds.com lacks accessible registration details such as names and addresses. The domain was registered on April 8, 2019, updated on April 6, 2022, and set to expire on April 8, 2023. It appears to be a third-party domain hosted on various servers, with misleading access points that lead nowhere. Furthermore, domain server details are concealed through a proxy, with hidden country codes, emails, and organization credentials, posing a potential scam risk for customers.

Drugs

Drugs The business claims to be based in Amsterdam, Netherlands, although its actual location online appears distant. Curiously, the business name matches the domain title, yet there's no evidence of its registration in any official registry. The SSL certificate is valid, but the website owner's identity remains hidden using WHOis.com services. Intriguingly, the ABOUT US page on the website is a template reused by several other fake pharmacy stores. What products and services does Herbsandmeds.com offer? Herbsandmeds.com is an online pharmacy that claims to provide a variety of health-related products and medications. They may offer herbal remedies, over-the-counter medicines, and other pharmaceutical products. Is Herbsandmeds.com a reliable and safe platform for purchasing medications? The reliability and safety of Herbsandmeds.com as a platform for purchasing medications are not clearly established. Customers are advised to exercise caution and verify the site's credentials and regulatory compliance before making any purchases. What are the payment and shipping policies of Herbsandmeds.com? Specific details regarding the payment and shipping policies of Herbsandmeds.com are not clear. Customers should inquire directly with the site for information on accepted payment methods, shipping costs, delivery times, and return policies. Are there customer reviews available for Herbsandmeds.com? The availability of customer reviews for Herbsandmeds.com is uncertain. It's advisable for potential buyers to look for reviews on independent platforms to better assess the site's credibility and customer satisfaction.

Price list

Price List Despite operating since 2021, Herbsandmeds.com offers generic pharmaceuticals at prices higher than many reputable pharmacies. It is advisable to seek medications from established, trustworthy sources for reliability. Drug Name Price silagra online From \$0.15 suhagra 50mg From \$0.1 nizagara fake From \$0.2 kamagra 100mg price From \$0.4 tadacip 20 cipla From \$0.66

Customer support

Customer Support The website's structure and privacy safeguards raise concerns about transparency, as concealed owner information contradicts expectations of regulatory compliance. While it may not be definitively fraudulent, multiple warning signs should not be disregarded.

Discounts

Discounts Herbsandmeds.com markets supplements, vitamins, herbal medications, beauty products, and various pharmaceuticals, emphasizing natural and organic qualities. However, links to other medications are blind, and the source remains questionable. The pharmacy sells generic medicines, claiming Indian manufacturing and FDA approval according to Indian standards. This raises doubts about medication safety. Anabolic steroids are prominently featured, and the pharmacy offers enticing discounts, including 70% off market prices, app-based 10% discounts, free pills based on order quantity, and additional discounts on subsequent orders.

Conclusion

Conclusion Several warning signs suggest that Herbsandmeds.com is potentially a fraudulent operation, with doubts about medication quality. Therefore, it is strongly advised against purchasing medicine from this online pharmacy. Our rating is 1 out of 5 stars.
