Medsloop.com

Overview

History Medsloop.com portrays itself as a reliable drugstore offering quality medications. However, a closer examination reveals several concerning aspects about this pharmacy.

License

License Domain name records indicate that Medsloop.com has been registered since mid-2021. This relatively short period in business raises suspicions about its legitimacy. While the database shows the pharmacy is based in Maharashtra, India, it lacks specific location details.

Drugs

Drugs Medsloop.com primarily offers generic medications, presumably manufactured in India. They feature categories such as men's health, anticancer, antiviral, and skincare products. The website lists medication manufacturers, but there is uncertainty regarding the authenticity of the products. What kind of medications does Medsloop.com offer? Medsloop.com offers a variety of medications, including treatments for erectile dysfunction, asthma, depression, and blood pressure issues. They claim to provide both branded and generic drugs. Is Medsloop.com a reliable online pharmacy? Medsloop.com is marked as unapproved by LegitScript and is suspected of selling poor-quality medicines. It has also shared misleading information about its domain and business owners, which raises serious concerns about its reliability. What are the payment and shipping options at Medsloop.com? Medsloop.com offers shipping through airmail and EMS, which is stated as the faster shipping option. However, the website's payment methods are not clearly mentioned, so customers should be cautious when proceeding with transactions. Are customer reviews available for Medsloop.com? There are no significant customer reviews or testimonials available for Medsloop.com, making it difficult to verify the customer experience and satisfaction with their services and products.

Price list

Price List Despite claiming to provide affordable medications, Medsloop.com's prices are not significantly lower. The lack of transparency about medication dispensing locations and qualifications of staff raises concerns about product quality. Drug Name Price silagra 100mg tablets From \$0.15 suhagra vs silagra From \$0.1 nizagara gold 120 From \$0.2 kamagra for sale From \$0.4 tadacip 20 mg From \$0.66

Customer support

Customer Support The website features fake sales pop-ups, a tactic often seen on scam pharmacy websites. These fabricated details, along with a dubious payment process, contribute to the pharmacy's questionable reputation.

Discounts

Discounts While secure payment methods include major credit and debit cards and wire transfers, customers may not immediately use credit cards for payment, awaiting an email from the pharmacy. This unconventional approach adds to the skepticism surrounding Medsloop.com.

Conclusion

Conclusion Medsloop.com exhibits numerous red flags, such as a short history, lack of regulatory approval, questionable product quality, and fake testimonials. These concerns make it an unreliable pharmacy, and customers are advised to avoid using its services. Our rating for this pharmacy is 2 out of 5 stars.
