Mydrugshoplive.com

Overview

History Mydrugshoplive.com, allegedly established in 1992, claims to connect customers with licensed medication manufacturers in China, India, and the Philippines. They offer a range of generic and brand-name medications at competitive prices. This review aims to uncover the truth behind these claims.

License

License The company asserts that its health medications are tested and licensed by the World Food and Drug Administration (WFDA). Additionally, they provide a secure checkout process through banking domains. However, discrepancies in their domain registration date and false historical information raise concerns about their credibility.

Drugs

Drugs Mydrugshoplive.com offers a diverse selection of medications, including antibiotics, anti-asthma drugs, antidepressants, blood pressure medications, and men's health products. They claim to provide these products at competitive prices. What types of medications are offered by Mydrugshoplive.com?

Mydrugshoplive.com claims to offer a variety of medications, including antibiotics, anti-asthma, anti-depressants, and drugs for blood pressure and men's health. The medications are reportedly sourced from China, India, and the Philippines. Is Mydrugshoplive.com a legitimate online pharmacy?

Mydrugshoplive.com is rated as 'rogue' by LegitScript and does not have approvals from major health regulatory bodies. There are strong indications of illegal practices such as medication counterfeiting and cross-border smuggling. What are the payment and shipping methods available at Mydrugshoplive.com?

Mydrugshoplive.com accepts payments via credit cards and cryptocurrency. They offer international delivery services, US priority mail, and EU priority mail with varying costs and delivery times. Are there any customer reviews available for Mydrugshoplive.com? There are no customer reviews for

Mydrugshoplive.com on its website or independent platforms like Trustpilot, making it difficult to verify the quality of their service and products.

Price list

Price List The pharmacy website frequently promotes discounts and deals, such as a 15% discount for payments made with cryptocurrency (Bitcoin and Ethereum). However, the legitimacy of these discounts is questionable given the pharmacy's other red flags. Drug Name Price sildenafil silagra viagra From \$0.15 suhagra 25mg From \$0.1 nizagara online From \$0.2 order kamagra online From \$0.4 cipla tadacip 20 From \$0.66

Customer support

Customer Support Two payment methods are available: credit cards (Visa and MasterCard) and cryptocurrency (Bitcoin and Ethereum). They offer international delivery options with varying shipping times and costs.

Discounts

Discounts Mydrugshoplive.com is associated with another pharmacy website, mypilllive.com, indicating potential cloning. Websites with clones often raise concerns about authenticity.

Conclusion

Conclusion This online pharmacy exhibits numerous red flags, including discrepancies in historical information, hidden domain owner identity, “rogue” ratings from regulatory bodies like LegitScript, and possible website cloning. The absence of customer reviews further diminishes its trustworthiness. Considering these concerns, it is advisable to avoid mydrugshoplive.com and seek a more reputable pharmacy. Our rating for this pharmacy is 1 out of 5 stars.
